SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd drink their bathwater, bear their children, or just that you have a secret crush on them.

Jessi looked great in your dildo pictorial with her glass buddy. Her boobs and butt is just amazing. This long-legged long-haired hottie is totally ready for fantastic action with her fellow partner and the dildo is just the warm up. I can't wait until yoou have a pictorial where she gets fucked by a flesh and blood cock. I'm sure it will be something really special. After bending over and teasing me, she'll gets what she wants - giant cock up her hungry tight pussy. Then this slender babe will start moaning as my big dick works hard to bring that hole to orgasm. Then I'd end it with nice cumshot right on this cute girl's face. What a rush! But for now, back to the glass dildo.

— Victor, Ohio

I just moved into an apartment in a new city because of the job I took. I really didn't know anyone in the city and it will take a while to get to know some of my co-workers. And there's a no fraternizing policy at the office. So what's a twenty-five year old guy to do? Got your magazine and enjoyed the ladies inside. I didn't know until I bought an issue that I could see the videos of the girls in the photos. I was especially turned on by Sasha and Marie's lezzie shots. But when I went online and looked at the video, it was way hotter and I must say those girls were really hot. I was actually sweating a little by the time I finished watching. The video did not finish, just me! It's been a great sexual ice-breaker for me in a town that will take a while to thaw. Now it's time to finish the video.

WHAT'S IT LIKE TO HAVE SEX WITH ANOTHER GIRL?

It's true. Women do love being with other women. But how does it start? How do they get together? Who makes the first move?

These are their secrets...

We found three women willing to tell us how they began loving other ladies. While we all know it is one of the ultimate male fantasies, it, apparently, is one that many women have also. With a whole different sexual attitude then men, it may be easier for women to hook up than in male culture.

I first did it at a private school in New Jersey.

My parents sent me away to an all-girls private school in my junior year of college because they thought I was getting so wild and they could not control me. One cause was that I was caught under the bleachers blow-banging some of the football players which got me and several guys kicked out of school. Secretly, I had been fucking most of the team all season. I also had been sneaking out at night and fucking the star quarterback because he had a nice nine inch cock that I loved to suck and fuck. Unfortunately, I was caught too many times and my parents shipped me off to a private school.

After a week at the new school, I started getting horny for my roomie. I'd never been with a girl before, but we're in such close quarters it's hard not to notice things. I have nice full C boobies but my roomie's are even bigger ones. Since I'm usually the sexually aggressive one, I finally told her I wanted to suck on them. I wasn't surprised when she agreed but told me she preferred cock, but I had clit that would be fun to suck. I had sneaked a couple dildos and a strap-on with me to school and by mid-semester I'd bend her over the end of the bed and shove a dildo into her pussy. Since she professed she loved cock so much, I made my roomie suck another dildo as I fucked her with the strap-on. Then we'd each shove dildos into each other's asses and scissor- fuck clit to clit until we both came. She has stayed my roomie for the last two years of private school. We think other girls knew we played around but no one ever said anything.

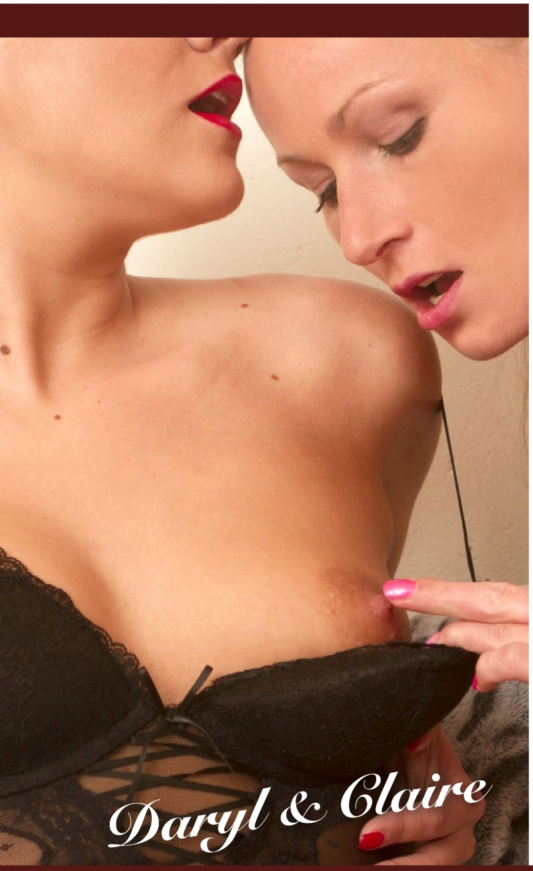
She seduced me on the first try.

My first lesbian experience was with Val, a co-worker's boss at the office where we all worked. It was a Friday, half-day, and Val invited my friend and me out to lunch. We went and got a little tipsy by the time 4 pm rolled around. Love those 'Half-Price Ladies' drinking days. After we dropped off my friend, Val invited me up to her 54th floor apartment and I agreed. We laughed all the way up on the elevator ride and stumbled into her place. More wine and soon she was taking the opportunity to explore every inch of my wet, warm pussy. She got me off with her tongue and hands as she dove right in and unabashedly lapped every exposed bit of my pussy. She began pulling my hair and grinding into me slowly. I began exposing more of her flesh with my

fingers as I gave her lips a complete tongue bath from bottom to top. I found her exposed clit and began flicking my tongue into her hard and fast, and her moans became increasingly louder.

I traced her lips with my fingers and she merely looked down at me. I looked back up at her and she was twisting and tugging on her nipple while guiding my head with her other hand. I drove a first finger into her and began exploring her pussy. Once I inserted my finger in entirely, I began turning and curling my finger in all directions. I worked a second finger in and she began grinding into me harder and pressing more of her weight down onto my hand and wrist. We did a hot 69 to end the evening and I stayed the night. Fortunately she is not my boss, so I smile and wave every time I see her at the office. I haven't told my friend about me and Val. Probably best she not know!



Not the bridesmaid anymore.

Jillian, my best friend, was getting married in a day. We were at rehearsal dinner the night before and I could tell she was incredibly nervous. The groom was acting like an asshole, which he is. I begged Jillian to reconsider, but her parents pressured her into this. By 10 pm everyone was on their way home. I told the group I would drive the bride-to-be home. I drove her home and she said she didn't want to be left alone at night. I went in with her and she said she wanted to go up and change. I waited for a few minutes and she came back into the living room in her robe. I didn't think anything of it, even when she offered me a glass of wine. She began telling me what a great friend I was and she wished her man was more like me. I told her it was not too late to delay the wedding but that made her quiet. We hugged and she began to rub my back and nuzzle my neck.

Then she took me into her bedroom and slowly undressed me. I did not complain or stop her. I knew she was in the middle of tremendous emotional upheaval. She let her robe fall to the ground showing her perfect breasts. She began to rub my boobs, then slid her hand down to my pussy. She put my hands on her boobs and liked the way her nipples got hard as she rubbed my hands over her chest. Then she took my hand and moved it to her pussy. She put her hand on my mound and we rubbed and licked each other. This went on a long time and I really liked the feeling. When morning came, I picked her up and took her to her wedding. She had decided to go ahead only if she and I would remain lovers. I said I do -- I mean I would.

Pornstar Interview

Renae Cruz

We'll start with the obvious question... How and when did you get started as a sexual performer?

I started about ten years ago. (pauses) Has it really been that long? Okay maybe eight years ago, but it still feels like it was yesterday.

I see you are still in the business. Why?

Sex. I love sex. I love to have sex. That means I love to get fucked and I've been fucked a lot. Oh, I take breaks every now and then. Gotta spend that extra money, ya know.

We don't see you in too many scenes with other girls. Lesbian scenes that is.

Oh, I do them, but I have to admit, I like cock. Real cock. I like to play with it. I like it when it plays with me. I think it's really hot to have a three or four-way with girls and guys. I'll do the girl then especially because it's so much more exciting when there's a cock or two involved.

How's your ass hole holding up?

Oh, it's fine. I know you're going to ask me a whole lot of shit about all the anal scenes I do, but there's nothing wrong with that. I love getting my ass hole filled with a big cock. I can take it quite a way in, so that's even more exciting. My butt hole is very sensitive and I've always enjoyed anal sex. It is something all the guys want to do, if they're in the business or not. I don't give it up easily, but why not? It's not for everyone and they can do it or not. It's their choice and it's important that it stays that way.

Pornstar Interview

Renae Cruz

You've talked a lot about giving sex, but what does Renae like to receive?

Besides anal sex you mean? I like getting my pussy licked. What girl doesn't? It's also vital to lovemaking. I think girls do it better than guys, but if anyone does it, then it all feels good. Oh, I also like to have my butt hole licked and fingered. It feels much different than having a cock in it. The sensations are more on the surface than inside and it tingles more. I'd have to say fingers are the best, especially if they are wet in some way. There's so much control by the giver that fingers are the best sex toy. It's interesting to think of fingers that way.

Okay, since you brought it up. Do you use or like toys?

I do. They are fun but no substitute for the real thing. I'm not a big fan of strap-ons. If I'm going to get fucked, give me a real cock any day.

You obviously have a rare sex drive. Are you "on" all the time?

Yeah, just about all the time. About five years ago I would wake up horny and have to masturbate once or twice before the day even began. Then I'd go through a day of fucking on the set and if I liked one of the guys, and he could still get it up, I'd take him home and we'd fuck into the night. Very few declined when I asked.

Is the wildest sex you've ever had on set or in private.

It can get pretty crazy on the set. Especially if there are more than three or four people involved. I don't know of too many people that have had private orgies of ten people or buy ten gallons of chocolate syrup and have you splash around in it while sucking cocks. In private I'm usually pretty subdued but I still like to do lots of kinky things.

You've been in tie business for a while and made a lot of movies. Have you made a lot of money? Do you have an investment banker?

What? If I told you, I'd have to kill you.

Sorry, back to sex.. We recently saw a video where you sucked and fucked a guy with two dicks. We have to ask if they were real or not?

I did do a scene like that, but if I had to answer your question, I'd have to kill you... again!
